

**GRADUATE DEGREE  
PROGRAM IN ECOLOGY  
COLORADO STATE UNIVERSITY**

**February 25, 2019**

**From Colleen**

Thanks to everyone who turned out for Jim Grace's Distinguished Ecologist seminars and workshop. This week we continue the exciting activities with FRSES and prospective student recruitment. Please see the FRSES schedule [here](#). Faculty, please consider participating in the FRSES Beer & Brains event. An email with details came out today. FRSES can still use student volunteers (see Ecology & CSU events section). Looking forward to seeing everyone there.

Students, note that SOGES Sustainability Leadership Fellow applications are open now. This is a great opportunity for professional development. (see Ecology & CSU events section).

Faculty, we are putting together an applicant pool of potentially qualified GDPE applicants looking for advisors. If you are still interested in taking a student for Fall 2019, it is not too late. Contact [Jennifer](#) for information on the pool.

**GDPE**

Feb. 27 12-1 pm LSC 378: Please join us for FREE LUNCH and an Research Mentoring to Advance Inclusivity (RMAIS) workshop to learn more about what the program is about and what we are accomplishing.

Feb. 28 8-9 am LSC 308: Please join our visiting prospective students for breakfast before FRSES begins to share your experiences and answer informal questions. We hope both GDPE faculty and students will participate. Space may be limited, so first come first served.

Please welcome our new undergraduate communications intern, Shelley Marie. She will be working with our Science Communication Fellow, Theresa Barosh, this semester.

Feb 27 & 28: 25th Annual Front Range Student Ecology Symposium (FRSES). Location Lory Student Center. Contact [Carolina Gutierrez](#) with any questions.

Save the dates for our upcoming [Distinguished Ecologist visits](#): Jessica Gurevitch Mar. 13 & 14 plus our [RMAIS speaker](#) Corrine Moss-Racusin, on May. 1.

Let us know if you've gotten a paper accepted, won an award, or received a grant by emailing [Jennifer Neuwald](#).

## ECOLOGY & CSU EVENTS

[FRSES](#) needs volunteers to help with event set-up, take down, registration desk management, moderating and directing attendees. Sign up for 1 hour time slots [here](#).

[Sustainability Leadership Fellow](#): The School of Global Environmental Sustainability (SoGES) seeks applications from Colorado State University advanced Ph.D. students and early career postdoctoral fellows to be a 2019-2020 Sustainability Leadership Fellow.

Geospatial Graduate Students Club: Anyone interested in geospatial applications is welcome. Click [here](#) to learn more!

Mar 7th 4:30-5:30pm: School of Global Environmental Sustainability "A low-carbon virtual lecture with Katharine Hayhoe". Click [here](#) for more information!

March 9th 10am-6pm: TEDxCSU is visiting the Lory Student Center. Check out multiple guest speakers and innovative exhibitions. More information can be found [here](#).

## RESOURCES

R-user group. Mondays 9-11 AM Plant Science C021. [Sign up](#) for updates or to contact the group. [Questions](#).

Coming Out, Being Out, and Questioning Support Group. Email [Jessie Charbonneau](#) for details.

[CSU Writes](#): Show up & write. Drop-in writing sessions provide faculty and graduate students a designated time and place to "show up & write."

[CSU Health Network Therapy](#): CSUHN has individual and group counseling as well as workshops and are available for students for free.

[Data and Donuts - Data Management Made Tasty](#): Good data management practices are becoming increasingly important in the digital age. Learn how you can improve your data management.

[Coding and Cookies - Everything is better with cookies. Especially data](#): Sessions are focused on coding in R.

## GRANTS / JOBS

[Postdoc Position](#): Postdoctoral Scientist wanted at the University of Washington.

[Research Associate](#): Research Ecologist position is available for the Agricultural Research Service.

[PhD Position](#): In Evolutionary Ecology in Switzerland. Send one PDF with CV, Letter of Motivation and contact details of 3 referees to [Blake Matthews](#).

[Grants Available](#): Denver Audubon is offering grant opportunities for research and education projects supporting Colorado non-game wildlife.

[Hydrology Assistant Interns](#): Sierra Nevada Network & Monitoring Program.

[Landscape Ecologist](#): The Bureau of Indian Affairs (BIA) is developing a programmatic NEPA analysis for conducting forest management and fuels treatments/prescribed fire on approximately 650,000 acres within 44 counties (20 tribal jurisdictions) in eastern Oklahoma. Contact [Tasha Carr](#) with a cover letter including 3 references.
