

**GRADUATE DEGREE
PROGRAM IN ECOLOGY**
COLORADO STATE UNIVERSITY

June 10th, 2019

From Colleen

Hi All! Many of you are working hard with your field seasons or the writing of your dissertations. Summer is when the hard work of Ecology often happens. GDPE wishes you best of luck in your endeavors. Hang in there!

Join us for this week's Student Ecology Research Program (RMAIS seminars) session on Strategies to Support Others.

GDPE

GDPE is excited to announce that Andrew Felton (PhD, 2018, Melinda Smith Lab) has been nominated for the Distinguished Dissertation Award (sponsored by the Council of Graduate Schools and ProQuest).

SERP (from RMAIS) will meet Thursdays 4 pm Johnson 132 for professional development activities at the intersection of gender and STEM. All are welcome - including faculty. Plus we have SNACKS!

- June 13 - Strategies to Support Others (Scott Bradfield)
- June 14- Sarah Leichty in the Natural Resources Building room 345
- June 20 - Power Dynamics (Dani Lin Hunter)
- June 27- Coping with negativity/critique (Dani Lin Hunter)
- July 2 (Tues@4pm) - Alternative Science Skills (Jennifer Neuwald)
- July 11 - Imposter Syndrome (Maria Chavez)
- July 18 - Developing a career path (Marcel Jardeleza)
- July 25 - Acknowledging qualities and self-assessment (Maria Chavez)
- Aug 1 - Work-life balance (Marcel Jardeleza)
- Aug 8 - Leadership (Scott Bradfield)

Stay in touch by tagging GDPE in your posts and photos on Twitter - @CSU_Ecology and use hashtags #GDPE and #CSU_Ecology. We look forward to seeing you on Twitter this Summer.

Submitting Announcements

Student Success: Let us know if you've gotten a paper accepted, won an award, or received a grant by emailing our Graduate Academic Advisor, [Jennifer Neuwald](#).

Information for Digest: Please submit details [here](#) for consideration. If you have questions about this, please contact our Program Coordinator.

ECOLOGY & CSU EVENTS

Early-bird Registration for ESA is open. ESA will be in Louisville, KY from 11-16 Aug. The CSU mixer will be Aug 14. Learn more [here!](#)

RESOURCES

R-user group. Mondays 9-11 AM Plant Science C021. [Sign up](#) for updates or to contact the group. [Questions](#).

Coming Out, Being Out, and Questioning Support Group. Email [Jessie Charbonneau](#) for details.

CSU Writes: Show up & write. Drop-in writing sessions provide faculty and graduate students a designated time and place to "show up & write."

CSU Health Network Therapy: CSUHN has individual and group counseling as well as workshops and are available for students for free.

Data and Donuts - Data Management Made Tasty: Good data management practices are becoming increasingly important in the digital age. Learn how you can improve your data management.

Coding and Cookies - Everything is better with cookies. Especially data: Sessions are focused on coding in R.

Geospatial Graduate Students Club: Anyone interested in geospatial applications is welcome. Click [here](#) to learn more!

GRANTS / JOBS

Wildlife Biologist: Wildlife Biologist needed by the Government of the United States Virgin Islands.

Research Ecologists: The Rocky Mountain Research Station is in search for two scientist positions.

[Research Associate](#): Full-time Professional Research Associate in Fort Collins.

[Graduate Assistantship](#): Pursue a PhD degree in the Environmental and Life Sciences Program at Trent University

[Student Contractor](#): Assist on projects related to modeling the distribution and abundance of exotic species, mostly focusing on plants.

[Assistant Program Manager](#): Contribute to a program of work that contributes to forest restoration, natural resource planning, and more!

[Program Manager](#): This position will lead and evaluate collaborative adaptive management processes with forestry, fire, and more!

[Biologist](#): The United States Department of Agriculture is in search of a full-time Biologist.

[Conway Science Fellowship](#): This fellowship will benefit the National Park Service through innovative scientific research that can inform park management.
