

**GRADUATE DEGREE
PROGRAM IN ECOLOGY
COLORADO STATE UNIVERSITY**

August 12th, 2019

From your GDPE Admin Team

You may notice some emptier-than-normal hallways on campus this week as several of our students and faculty are at the ESA meetings. Follow along with the latest and greatest as our student reps post on Twitter.

Students should register for research/dissertation/thesis credits (ECOL698/699/799) by this Thursday, Aug. 15. After that date, students will need an override, which creates additional burden on the GDPE administration. Override requests may be delayed due to this being a critical transition time for the GDPE Admin Team.

Please be aware that we are working with the registration folks to get Saran Twombly's ECOL693 section available. We appreciate your patience. We will let you know as soon as things are up and running.

You may have noticed some updates to the GDPE website recently. The one we are most excited about is the new [Curriculum & Electives page!](#) You can find links to this on either the "Courses & Forms" or the "Courses & Degrees" pages. Stay tuned for more updates this semester.

We have also added a new section to our digest to help facilitate communication about courses. You'll see below our new "Upcoming Courses of Interest" section. We'll list both GDPE and other departments' courses here.

GDPE

All paperwork: Now that we have a Program Coordinator, please drop all paperwork at the GDPE office (Johnson 132), and Dawn will coordinate signatures and processing. Thanks!

Join us at the Ecology Society of America meetings in Louisville, KY for the **ESA Colorado State University Mixer**. It will be 6:30-8:00 pm on Wednesday, Aug. 14 at the Gault House Hotel (main ESA hotel) in the Jones room (Suite Tower, 3rd floor). See you there!

Stay in touch by tagging GDPE in your posts and photos on Twitter - @CSU_Ecology and use hashtags #GDPE and #CSU_Ecology. We look forward to seeing you on Twitter this Summer.

Submitting Announcements

Student Success: Let us know if you've gotten a paper accepted, won an award, or received a grant by emailing our Graduate Academic Advisor, [Jennifer Neuwald](#).

Information for Digest: Please submit details [here](#) for consideration. If you have questions about this, please contact our Program Coordinator.

DEADLINES

THIS WEEK

Thursday, Aug. 15

Last day to register for ECOL698, ECOL699, ECOL799 (research/thesis/dissertation) credits without an override.

Note: if you miss this deadline, there may be a delay in granting your override due to GDPE transition activities.
