

GDPE Weekly Digest

May 24th, 2021

Dear all,

The new Executive Committee student representatives are Andreas Wion and Sarah Carroll, and Anna Wright will join Julian Cassano on the Social Committee. The Diversity, Equity and Inclusion Committee reps will be Dani Lin Hunter and Mai Awad. Congratulations! Thank you very much to Dawn Barton and Teia Schweizer for running. I think it's safe to say that we all, GDPE staff, faculty and students alike, appreciate everyone's willingness to serve. Thank you!

Speaking of Social - Julian and others are organizing some all-skills soccer fun this Thursday. You'll get a separate email about that, I'm sure. GDPE is providing some pizza for the event. Enjoy!

Best,
Ruth

ECOLOGY & CSU EVENTS

GSC Professional Development and Supply Grants

Deadline: Monday, June 7 at 5:00 p.m. MT

Grants can be applied towards any professional development opportunity or supplies needed to complete or enrich your graduate work. This includes registration fees for virtual conferences, software licensing fees, textbooks, hard drives, gas for approved field work trips, art supplies or materials, etc. The GSC is offering \$2,500 in grants split into six grants of \$250 each and ten grants of \$100 each. More information [here](#)

DEADLINES

GDPE Deadlines

none currently

Other Deadlines

Graduate School Deadlines:

May 28: GS25 due for Summer Graduates (don't forget to register for at least 1 credit or continuous registration! CRN codes can be found [here](#)) [please work with Jennifer before submitting - [instructions here](#)]

Find all of the deadline details on the CSU Graduate School's website [here](#).

COURSES

GDPE Course Information

ECOL 592 001 – A Primer of Community Composition Analysis. Fall 2021 Taught by Melinda Smith and Kate Wilkins. Wednesdays 3:30-5:00 starting Sept. 1

*We are looking for more **ECOL592** sections for this fall. Please check out examples [here](#) and then propose your own section [here](#)!*

Upcoming Courses of Interest

Chris Funk and Kristen Ruegg will be teaching *BZ 525 Advanced Conservation and Evolutionary Genomics* next fall. This is a relatively new course, and should be great.

Send us your photos! Now more than ever, it's important for us to keep in touch. Send us your photos of your WFH desk, from the field, or just photos of you relaxing and enjoying summer!

[Submit Photos](#)

All paperwork: Please email forms to Dawn at ecology@colostate.edu to coordinate signatures and processing. Thanks!

We want your feedback! Do you have comments or suggestions about how your GDPE experience can improve? Let us know! Contact your ExCom Student Representatives, [Katie Rocci](#) and [Dani Lin Hunter](#) to provide your feedback.

Stay in touch by tagging GDPE in your posts and photos on Twitter - [@CSU_Ecology](#) and use hashtags [#GDPE](#) and [#CSU_Ecology](#). We'd be happy to help highlight your research!

GRANTS & JOBS

Climate change Research Assistant position with the National Park Service

Application Due Date: Open until filled

The Climate Change Response Program (CCRP) works across the breadth of the National Park Service (NPS) to help the NPS understand and manage the effects of a changing climate on natural and cultural resources, infrastructure, and operations. CCRP is currently seeking a qualified research assistant to join the team and help advance on-the-ground adaptations to protect parks and support visitor experience and enjoyment for present and future generations. More information [here](#).

Post Doc - Student Service Contractor - USGS Quantitative-Migration-Disease Ecologist U.S. Geological Survey, Upper Midwest Environmental Sciences Center La Crosse, WI

Application Due Date: May 30th

The student contractor shall provide analytical support to a USGS Disease Program-funded effort aimed at forecasting risk of avian influenza to North American poultry operations using a hemispheric-level waterfowl migration model. Learn more [here](#).
